SENIORS

A solid start to the season. 1st and 2'nds sitting undefeated on top while the under 19's are 5th and playing some really good football as a very young side.

While the draw hasn't been overly tough so far, we are playing some strong football. Pleasing is the form of the younger brigade who have stepped up this year playing in starting roles on ball, key possession etc. The older guys have lead very well also giving us a great blend of youth and experience. Most pleasing has been our tackle pressure and speed across the ground by foot and ball movement.

We have started well and given ourselves a chance to hit the winter months in top form. Really looking forward to the tough stretch coming up with 6 solid games against strong opposition. We will know where we sit as a group after we face off against the top sides.

Cheers Nick

[View our selected teams on the website every Friday mornings.](#)

RESERVES

After a good pre-season looking like we were going to be short of numbers, the 2's have hit the ground with 5 straight wins.

With a good even spread for more contributors, we look forward to the next few weeks to see where we really stand. Thanks to all the coaching staff team manager, trainers, and water carriers. Can't get out there without you.

Cheers Flip

## Under 19's

## JUNIORS

Sorrento 19's are motoring along quite well at the moment, two loses and 3 wins. We are trying to get some consistency at the moment, a few of the boys are back in the team which is giving us some great depth. With some solid turn outs to training, we will be in the mix, but there is a bit of a way to go.

Cheers Gippy

## NETBALL

The Sorrento Netballers have had a great start to the 2017 season. The girls have been really motivated at training which has led us to some really close games, including a draw against local rivals Rye. We celebrated our first player to reach 100 games at the club, congratulations to Jemmah Gregory who has always been a great addition on the court.

Our upcoming Ladies Day is on the 27<sup>th</sup> of May, kicking off at 12:30pm at Sorrento Bowls Club. Tickets are \$65 per head and include a 2-course meal and bubbly on arrival, raffles and special guests! All ladies welcome for a great day and to support our netballers. For tickets please contact Emma Ring 0450 429 605.

A bitter sweet start to the junior season. With the launch of the first Sorrento girls team came much excitement and anticipation. The girls came out blazing and won their first 3 games only to be stripped of their round 1 and 2 points by the league due to an administrative error. Dropping from top of the ladder to the bottom overnight. Although very disheartening for all involved, the girls with their positive attitude and determination, and after a win on Sunday, are now back to 3<sup>rd</sup> place on the ladder. With 11 rounds to go, and if they continue in this form, the girls will be unstoppable.

Now well and truly into the season, our under 12's, 14's, & 15's are coming home with very convincing wins. All 3 teams defeating their opponents by 60 + points over the last couple of weeks. Our 9's 10's 11's & 13's are also coming along well.

Auskick clinic is healthy and thriving with over 65 registered kids, our future is looking bright. Our Auskickers are at Shark Park this Saturday playing in a half time Grid game, future sharks in the making.

Go Sharks!

OFF FIELD

This Saturday we play Tyabb at home. Be sure to come along and support the boys.

Building works have come to a halt however are expected to recommence next week.

An exciting development over the off season was the news that the MPNFL would be taking on the Geelong FNL at the MCG on May 13<sup>th</sup> for the position of the number one ranked community football competition in the state. Luke Tapscott, Nick Corp & James Hallahan all participated in the game. Unfortunately, the result didn't go our way. However, a great day was had by all.

We now have a limited number of Sorrento Sharks flags available (suitable for flag poles etc.) at \$60 each. Please contact Flag Officer Rob Tucker phone: 0407 335 975 or by email: [robtucker@outlook.com](mailto:robtucker@outlook.com) to purchase one.

Socially we have our ladies lunch coming up, please contact Emma Ring to reserve your tickets.

That's all for now. Go Sharks!!
